

**LINCOLN
UNIVERSITY**
TE WHARE WĀNAKA O AORAKI

2025 Seed Technology Short Course

Monday 16 June - Thursday 3 July
(Four days/week for three weeks)

Venue: Lincoln University

The programme will focus on the following:

Week One

Monday 16 June to Thursday 19 June
Seed Quality

Week Two

Monday 23 June to Thursday 26 June
Seed Production

Week Three

Monday 30 June to Thursday 3 July
Post-Harvest Seed Technologies

Topics range from seed quality assurance and current issues in seed production to seed drying and seed storage to organic seed production and strategies for plant protection.

The course will be presented primarily by Professor John Hampton (Lincoln University), Dr Aung Myo Thant (Lincoln University) and Professor Phil Rolston (Seed Industry Research Centre).

Registration Details:

Registration will be limited to 20 to ensure that all obtain maximum benefit throughout the course. The registration fee includes comprehensive course material, all tuition, completion certificate, morning tea and lunch.
